Continuous Show At Lomita Theatre Saturday, Sunday

Nobody in Lomita or vicinity should lack for a chance to see some of the fine pictures that are being offered at this entertainment center, with the special arrangements that are in vogue there. Wednesday and Thursday, known as Scotch nights, admit the whole family at a dime apiece, certainly a low price for the high class entertainment that is offered.

The Thursday afternoon matinee offers a chance to the night worker to see a show. Saturday and Sunday, performance is continuous, starting at 2:30 p. m. Later at any time and stay as long as you like. The programs are varied and interesting, and nothing is too good for the patrons of the Lomita Theatre.

Special Excursion to New York Over So. Pac. In April

Plans for the annual train and steamer Dixie Special excursion to New York have just been completed by the Southern Pacific Company. It was announced here today by Lawson Overman, district passenger agent.

The excursionists are to depart from Los Angeles April 11 on the novel combination trip, traveling over the fascinating Sunset Route by train to New Orleans through the historic South and then aboard the steamer Dixie for a five-day ocean voyage down the Mississippi, through the Gulf of Mexico and up the Atlantic coast to New York.

Special entertainment features have been arranged for the excursion and, by leaving one day earlier, a number of those making the trip will stop over in El Paso for a side trip to famed Carlsbad Caverns, recently described as the first wonder of the world.

The trip is unusual in many respects and may be made this year at unusually low cost due to recent cuts in travel costs, it was pointed out.

HEMET, March 1.—Indicating their belief that prosperity has turned the corner in Southern California, the directors of the Ramona Pageant Association, producers of the Hemet-San Jacinto Valley's famous outdoor play, Ramona, have reconsidered their decision of several months ago to cancel the 1934 production. It has now been decided to stage the play this spring on an even more elaborate scale than has heretofore been attempted.

The cast of more than 200 players is now being assembled and the play will be given Saturday and Sunday afternoons, April 21 and 22, April 28 and 29, May 5 and 6. The people of the Hemet-San Jacinto Valley have subscribed \$6000 as a fund to guarantee the pageant organization against financial loss.
